Walter Johnson Loses His Own Game.

BROWNS GET THE LONE SCORE Philadelphia at Cleveland.

Both Teams Play Sensational Game in the Field and Several Near-runs Are Cut Off at the Plate - Idaho Wonder Outpitches Barney Pelty. Nationals Making Three More Hits.

St. Louis, Mo., Aug. 14.-Barney Pelty put his Washington hoodoo to rout this afternoon when, aided by sharp fielding, he took the third game of the series at Sportsman's Park, 1 to 0.

There was plenty of excitement all through the game owing to the closeness of the score and the fact that both teams lost runs by narrow margins. No less yesterday's, in which the heavy hitting than three times during the game Washington had runs nipped at the plate, while any one of the three would have run cut off at the plate, and but for a wild throw to a vacant base the contest would have gone into extra innings, as the run scored by St. Louis was made possible only by this.

Walter Johnson, Cantillon's Idaho recruit, was the one who opposed Pelty, being outclassed by his veteran rival.

He allowed the Browns but six hits, but five of these were clean ones to the outfield. Pelty was caught for nine hits, but seven of the nine were slashed Laporte. Johnson Is Cool.

Johnson showed a lot of gameness and the youngster did not seem to be worried fifth defeat last week, and that's Tor when things were breaking wrong.

On the defensive both teams played a varied game. Taken as a whole, the Browns' fielding was fast and clean, and this was especially true when runs threatened. Two errors were chalked up, and one of them came at a point when it looked like it would lose the game. Jones made the throw in the seventh inning, at the plate.
